

1. Fold Mane in half place along upper neck of Horse head. Place Horse right sides together; Stitch around Horse head. Clip curves or trim to $\frac{1}{8}$ " seam.
2. Turn right side out. Cut along mane snip lines to form mane
3. Stuff to fill line.
4. Insert stick of choice with glue applied all around the end of stick inserted.
5. Wrap twine or leather tightly around to hold horse to the stick.
6. Apply mane by stitching yarn or place the yarn in before stitching the head together.
7. Using stick glue, glue 2 pieces of fabric together. Cut out 2 ears.
8. Fold Ear slightly to fit the mark on pattern. Place to side of the head. Stitch in place or glue.
9. The eyes should be sewn on each side of the head and pulled to each other so as to slightly dent into the fabric.
